Ellen Jones came to talk with me about Matt Williamson and Teresa Wagner because she won't have time to send any comments. Her feeling is that both Matt and Teresa would be acceptable candidates for the positions.

Thanks,

Everyone,

This is a reminder that Mark needs your comments on all the LAWR candidates this afternoon as the faculty meeting to discuss the LAWR candidates is tomorrow. A few have trickled in. We were a little worried about getting the comments for Teresa in time.

Thanks for the comments that have already been sent in.

Grace
