Appendix B: College Profiles

This section provides data and graphics for each university. We also provide a few facts for each university to provide contextual information. Unless specified, the information is either from the College Scorecard (as of the December 2, 2020 update)\(^1\) or the National Center for Education Statistics.

\(^1\) We excluded some data that we could not confirm. For “Median Debt,” this is information about students’ median debt after graduating. The amount was variable based upon the student’s field of study.
